## OVERVIEW

Atmanirbhar Bharat Abhiyaan or Self-reliant India campaign with five pillars - Economy, Infrastructure, System, Vibrant Demography and Demand aims to make the country and its citizens independent and self-reliant in all senses. Made robust by all the five facets, the Micro, Small and Medium Enterprise (MSME) sector play a critical role in achieving the long-term vision of Atmanirbhar India.

The Government of India approved offering Rs 2 lakh crore worth of production-linked incentives (PLI) scheme to 10 more sectors to boost domestic manufacturing. The five-year PLI scheme, which aims at making Indian manufacturers' competitive globally.

3 Day Exhibition on Fluid Power Technology and 1 Day Industry Conference on Hydraulics & Pneumatics

LIVE Technology Demos

Gain knowledge about fluid power by facilitating an effective connection between Professionals, Individual, Institutional & Industrial

B2B Meetings with Business Visitors

A link between diverse segments of the Fluid Power Industry

A platform to showcase the technological capabilities and innovation in the Fluid Power Industry

## EXHIBITOR PROFILE

### HYDRAULIC INDUSTRY

Hydraulic Actuators and Motors  
Hydraulic Tools  
Hydraulic Pumps and Actuators  
Hydraulic Valves  
Miniature Hydraulics  
Hydraulic Parts, Seals and Accessories  
Hydraulic Pipes and Components  
Hydraulic Sensors and Measurement  
Lubrication Systems, Cooling and Filtering

### LIQUID HANDLING TECHNOLOGY

Liquid Pumps  
Liquid Sensors and Monitoring Systems  
Pump Parts and Motors  
Valves and Switches  
Pipes and Fittings

### PNEUMATIC INDUSTRY

Complete Pneumatic Systems  
Pneumatic Actuators, Motors and Cylinders  
Pneumatic Tools  
Pneumatic Valves and Pressure switches  
Miniature Pneumatics  
Pneumatic Parts, Seals and Accessories  
Pipes, Hoses and Hose Connections  
Gas and Motion Sensors and Measurement  
Vacuum Technology  
Air Supply, Compressors & Vacuum Pumps

### BEARINGS, SEALS, LUBRICANTS

Services and software for drives, gears, Hydraulics, Pneumatics

## Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
